Global Leadership Coaching for Better Business Results

## Biographical Sketch

### Jacqueline E. Muller

Hong Kong

Languages: English, French, German and others

Jacqueline is the regional manager for GCN in Asia and a senior level global executive coach with GCN.

Jacqueline Muller is a global coach and brings a unique combination of 25 years of business experience in Asia, personal development work, behavioral coaching and cross cultural coaching to the table. A successful business person and former company President and Managing Director, Jacqueline Muller combines her experience of twenty five years in business and leadership with her unique insight and innovative style to work with clients in a highly collaborative, challenging and rewarding partnership.

Having worked all over the world, Jacqueline speaks six languages fluently and has an extensive grounding in International business dealings and cross-cultural working relationships.

Jacqueline is a certified executive coach with thirty years of in-depth training in human behavior, personal growth, inner-self and intuitive development.

#### Jacqueline's client list:

Gilwood International (a company based in New York and Shanghai)

GM Worldinvest (a financial consulting company based in Hong Kong)

Various International banks such as Clariden Bank, Deutsche Bank, BNP etc.

Various SMEs based in Hong Kong

Private clients based in Hong Kong, the UK, France and USA.

#### Coaching Areas of Expertise:

With a refreshingly unique coaching style, Jacqueline has the ability to finely hone into issues by using her keen sense of intuition in order to uncover unrecognized blockages and possibilities. She coaches for cultural competence, coaches to ensure success on the international assignment, to further careers, offers individual executive coaching for global leadership development, and to live dynamically. In the past 3 years Jacqueline has been leading personal empowerment and spiritual development journeys to Egypt

**Coaching Philosophy:**

enabling you to come to your own decisions and realizations by stimulating self-evaluation and personal insight

creating a respectful and impartial working relationship, based on complete trust and confidentiality enabling personal thoughts and feelings to be freely expressed

encouraging you to explore the roots and find solutions for inhibitions, discomfort and self-limiting behavior which undermine results

enabling you to fully understand your personal values, drive and motivation for a satisfying career and personal life examining your life style, career and challenges

you having fun and enjoyment in the process of achieving excellence in all parts of your career and life.
